

Grace Centers of Hope

Diaper Collection

Grace Centers of Hope provide a loving, Christian, learning environment for children whose parents are either currently living at Grace Centers of Hope and enrolled in a one-year life skills program, or have graduated from the one year program and are now going to school or working. Staff members are committed to providing quality care for each child at the center.

The organization does not accept any government funding.

Thank you for partnering with us to meet the needs of these precious little ones; they are truly the innocent victims of homelessness and addiction, and they deserve the VERY BEST!

As we approach the 100th anniversary of Holy Name, help us meet our goal of 100 boxes of diapers. Critical need: Size 5/6
